LETTER FROM THE PRESIDENT

Dear TCC Family,

Okay, let's try this again!

Last year, after much planning and preparation by staff and volunteers, we were forced to pivot at the last minute and move our Visionary Gala to a virtual setting. We were disappointed, of course, but we knew that the health and safety of our community must come first. Most importantly, we will forever be grateful to you, our TCC Family, for still showing up and supporting the Gala in force, in living-rooms-turned-ballrooms everywhere.

But now it's time for the real thing!

For everyone who's ever daydreamed about what your perfect prom would look like, it is finally time to make that dream come true. Welcome to TCC's Queer Prom!

Too many queer people have poor memories of their high school prom. This year, Triangle Community Center invites us to imagine a more inclusive and welcoming prom, where everyone can be a King or Queen or Somewhere-In-Between.

So I hope you're vaxxed, waxed, and ready to party to the max. Put on your dancing stilettos and tuxedos, grab a corsage or boutonniere, and join us for an evening of glamorous delight. Out of the hardships that too many of us still navigate every day, we will create a space of radical joy—while also raising much needed support for TCC, who will continue to be champions and advocates for our community, as they have always been.

So... will you go to Prom with me? Please say yes!

xoxo,
Colin Hosten
Board President
Triangle Community Center

LETTER FROM THE EXECUTIVE DIRECTOR

Hello Community,

I am thrilled to write the following sentence: The Visionary Gala is back in person!!!

Welcome everyone to OUR Visionary Gala: Queer Prom. After a 2-year hiatus we are back and better than ever. This year we are forgoing honorees and instead want to focus on our resilient community.

We've gone through 2 rough years, learned a lot about ourselves, and learned to adapt and pivot at a drop of a hat. Nothing is a better example of this than our 2021 Visionary Gala, which was also prom themed. We were supposed to have that in person, but COVID had other plans. But here we are, in 2022 with renewed spirits and the in-person Queer Prom we've all been waiting for.

At Queer Prom we want to give our supporters the chance to re-do an event that, for many, was not what we hoped. Many of us were perhaps in the closet, trying to find out who we were behind closed doors, or not yet aware of who we were. Some of us are now completely different people than we were back then. Some now have a loving partner who truly sees them for who they are, some have a new name and image that fits perfectly with who they knew they were inside, some perhaps have multiple loving partners.

Whatever situation you find yourself in today, we want to make sure you have a space to celebrate it, all while supporting the amazing work we do here at TCC.

Our organization, Triangle Community Center, would not be here if it wasn't for the tireless work of our staff, volunteers, group leaders, interns, and you; our supporters. You've helped us get through rough seas and not only that, you helped us expand our reach and impact. Not only was TCC able to maintain all our services during the pandemic, we expanded our offerings!

They say it takes a village to raise a child, I will add that it takes a village to keep a community center growing. I am honored to have you all as part of that village, proud of the work we've accomplished, and optimistic that together, as one village, we will face future challenges head on and come out a stronger community.

Welcome to The Visionary Gala: Queer Prom. Will you all be my prom dates?

In solidarity and with much love,

Edson Rivas (he/him)
